Photo Release Authorization for JoPAN and ASPAN Publications

The undersigned subject (please print) _________________________________ portrays a patient and/or nurse and agrees to be photographed by (please print name of photographer) _________________________________ either receiving or offering treatment. The undersigned grants to the Author and to the American Society of PeriAnesthesia Nurses (ASPN), a professional specialty nursing organization, its licensees and assigns the on-going and unrestricted right to use those photographs for general information, education, scientific, medical and public relations purposes and to permit others to use them for those purposes, including but not limited to publishing as part of the Author’s work in JoPAN, ASPAN’s scholarly journal, and Breathline, ASPAN’s monthly newsletter, in all editions or versions and in all forms and media, as well as other related publications.

The undersigned further acknowledges that he/she relinquishes all rights, title, and interest in the photographs, or any right to profit or gain directly or indirectly realized through the use of the photographs. The persons to whom disclosure may be made include healthcare providers, students, patients and prospective patients, medical and other periodicals, medical editors, outside firms, the staff of ASPAN, readers of medical literature, and the general public. The undersigned understands that the photographs disclosed under this authorization may be subject to re-disclosure and no longer protected by this authorization or the federal privacy regulations.

This authorization may only be revoked in writing, signed by the undersigned and delivered to the Author and ASPAN. Such revocation shall therefore be effective except to the extent that action has been taken in reliance on this authorization. Revocation will not affect uses and disclosures made before receipt of the revocation.

The undersigned understands that he/she may refuse to sign this authorization and that such refusal will not affect the undersigned’s ability to obtain treatment, payment, enrollment or eligibility for benefits.
